

SIGNATURE LINE®

AGILE®

HARD-SET, MULTI-PURPOSE ADHESIVE

PRODUCT HIGHLIGHT

RESIDENTIAL

MULTI-FAMILY

COMMERCIAL

Agile has the flexibility to adapt to its environment. Designed to be used for direct glue-down, as well as double-stick applications, Agile is the ultimate choice for your project. Boasting early leg development, quick upfront grab, and a permanent, high-strength bond, Agile ensures even your patterned carpet installations hold perfectly in place.

WHY USE

- Early leg development
- Aggressive tack, fast-grab formula
- High-strength, elastomeric bond
- Up to 2 hours working time
- Rapid occupancy
- Permanent, water-resistant bond
- Attractive price point
- Installs multiple flooring types
- Simple installation
- Solvent and isocyanate-free
- Low VOC, extremely low odor
